

VC 375 – Web Design I

Cazenovia College – Spring 2019
Professor Brian Hauser

Mon. & Weds. 6:00 PM – 8:50 PM
119 Reisman Hall

Exercise 2: HTML Web Page

Due Date: 2/25/19 by 6:00 pm via email

Exercise Description

For your homework you will be creating a HTML web page using what we went over in class. The purpose of this assignment is to get you started working in Dreamweaver and to become familiar with basic HTML code while reinforcing content covered in-class.

Objectives

Becoming familiarized with coding HTML web pages using a variety of HTML elements and divs within Adobe Dreamweaver.

Time Management

This is considered to be a homework assignment to be completed outside of class time. You can ask me questions about the assignment in class or outside of class.

Steps

1. Create an HTML file in Adobe Dreamweaver with your initials in the file name like the following: BEH375_HTML_homework.html (1 point)
2. In your HTML file you will need to create the following div elements:
 1. **Wrapper div** – contains all of your website content (1 point)
 2. **Header div** (1 point)
 3. **Navigation div** – inside your navigation you should have an unordered list with list items (3 points)
 4. **Content div** - a paragraph of filler text or lorem ipsum in a paragraph tag <p> and a link using the <a> tag and an image using the tag. (4 points)
 5. **Footer div** – with Copyright, including copyright symbol and the current year (3 points).
3. **Email your completed HTML file to me at behauser@cazenovia.edu by 6pm on 2/25. Please hold onto this HTML file and save back ups as you will be using it for Exercise 3: CSS Styling.** Assignments received after 2/25 at 6pm will be considered late and there will be a 10% grade deduction. The assignment will be a grade of 0 if not submitted by the following class day.

HTML Tags

Wrapper (Container) Div	<div id="wrapper">ALL OF YOUR WEBSITE CONTENT GOES INSIDE OF HERE.</div>
Header Div	<div id="header">Your name goes here.</div>

VC 375 – Web Design I
